ROCK

Happy Easter! He is Risen!

1. How was Jesus going to rescue everyone?
2. When Jesus died, what did he take for us?
3. When Jesus rose again, it proved two things. Do you remember what two things those were? - *Jesus really is God's great rescuer. God keeps His promises.*
4. What is something that God CANNOT do? - Break His promises.
5. What is a promise from God that you are waiting for Him to keep? - Parents, this might be a great time to talk to your kids about the promises you are trusting God to keep. It might be that your family stays healthy and that God helps cure people of the Coronavirus. Keep your promises age appropriate but let your kids in on what you're believing for so they can join you in prayer. This can be a powerful conversation starter.
6. What does Easter mean to you?

Family

ACTIVITY

Play two truths and a lie with your family. Here's how you do it. Give three facts about yourself. Two of the facts should be true, and one should be a lie. Whoever is guessing guesses which fact is a lie. Repeat this game for each member of the family. Parents, this is a great opportunity for your kids to learn fun facts about you that they may not have know otherwise! Give random facts from your childhood that your kids may not already know.

Weekly

MEMORY VERSE

"For even the Son of Man came not to be served but to serve others and to give his life as a ransom for many."

Matthew 20:28 (NLT)
