

## DISCUSSION QUESTIONS

Parents: Share a time in your child's life when you wanted to protect them from something that would hurt them. You can use age appropriate stories. For your smaller children you can talk about why you want them to wear seat belts, or why you don't want them to touch the hot stove. For your older kids, you can talk about how you feel when they get sick or when they are dealing with something you can't help them with.

Ask your kids the following questions - *feel free to make these age appropriate for each of your children:*

1. Why do you think God gives us rules and boundaries for our lives?
2. What happens when we break those rules?
3. What happened when Adam and Eve broke God's rule? How does that affect us even today?
4. How does God rescue us from Adam and Eve's bad decisions?
5. Why is it so important to spend time with Jesus every day?
