1. Freedom – Jesus Culture

Verse

Step out of the shadows
Step out of the grave
Break into the wild
And don't be afraid

Pre-Chorus

Run into wide open spaces
Grace is waiting for you
Dance like the weight has been lifted
Grace is waiting

Chorus

Where the Spirit of the Lord is, there is freedom
There is freedom
Where the Spirit of the Lord is, there is freedom
There is freedom
Come out of the dark, just as you are
Into the fullness of His love
For the Spirit is here, let there be freedom
Let there be freedom

Verse

Bring all your burdens
Bring all your scars
Come back to communion
Come back to the start

Bridge

Chains will fall, prisons shake
At the sound of Jesus' name
Live made whole, hearts awake
At the sound of Jesus' name

Tag

Let there be freedom

Pre-Chorus

Dance like the weight has been lifted
Grace is waiting

2. Battle Belongs – Phil Wickham

Verse

When all I see is the battle
You see my victory
When all I see is a mountain
You see a mountain moved
And as I walk through the shadow
Your love surrounds me
There's nothing to fear now
For I am safe with You

Chorus

So when I fight, I'll fight on my knees
With my hands lifted high
O God the battle belongs to You
And every fear I lay at Your feet
I'll sing through the night
O God the battle belongs to You

Verse

And if You are for me
Who can be against me
For Jesus there's nothing
Impossible for You
When all I see are the ashes
You see the beauty
When all I see is a cross
God You see the empty tomb

Bridge

Almighty Fortress You go before us
Nothing can stand against
The power of our God
You shine in the shadows
You win every battle

Nothing can stand against
The power of our God

Tag

O God, the battle belongs to You

3. More Than Enough – Jesus Culture

Verse

Beyond all my wildest dreams
Your grace is alive in me
I'm caught in the overflow
Of mercy that won't let go

Chorus

Here on this holy ground
Standing before You now
Jesus, You are more than enough
If there's one thing I know
It's how You love me so
Jesus, You are more than enough for me

Verse

Finally my eyes can see
You've never abandoned me
I'm held by the kindness of
A Father who won't give up
My Father, You'll never give up

Bridge

Forever strong
Forever faithful
All my life, You are enough for me
In ev'ry storm
In ev'ry battle
All my life, You are enough for me

Chorus

Here on this holy ground
Standing before You now
Jesus, You are more than enough

If there's one thing I know
It's how You love me so
Jesus, You are more
You are more, yeah

Fear could never conquer me
'Cause You already have, You already have
Worry could never conquer me
'Cause You already have, You already have
Fear could never conquer me
'Cause You already have, You already have

4. Highlands (Song of Ascent) – Hillsong United

Verse

O how high would I climb mountains
If the mountain where You hide
O how far I'd scale the valleys
If You graced the other side

Verse

O how long have I chased rivers
From lowly seas to where they rise
Against the rush of grace descending
From the source of its supply

Pre-Chorus

'Cause in the highlands and the heartache
You're neither more or less inclined
I would search and stop at nothing
You're just not that hard to find

Chorus

So I will praise You on the mountain
And I will praise You when the mountain's in my way
You're the summit where my feet are

So I will praise You in the valleys all the same
No less God within the shadows
No less faithful when the night leads me astray
'Cause You're the heaven where my heart is
In the highlands and the heartache all the same

Whoa, Whoa

Verse

O, how far beneath Your glory
Does Your kindness extend the path
From where Your feet rest on the sunrise
To where You sweep the sinner's past

Verse

And O, how fast would You come running
If just to shadow me through the night
Trace my steps through all my failure
And walk me out the other side

Pre-Chorus

For who could dare ascend that mountain
That valleyed hill called Calvary
But for the One I call Good Shepherd
Who like a lamb was slain for me

Bridge

Whatever I walk through
Wherever I am
Your Name can move mountains
Wherever I stand
And if ever I walk through
The valley of death
I'll sing through the shadows
My song of ascent

Tag

My song of ascent
Whoa, whoa
My song of ascent
Whoa, whoa

Pre-Chorus

From the gravest of all valleys
Come the pastures we call grace
A mighty river flowing upwards
From a deep, but empty grave
